Tourism, an industry that has been a major contributor to the economy and a great source of employment generation was badly hit by the pandemic in 2020. On the other hand, when the entire world was under a lockdown and traveling was stagnant, 2020 has also given space and created a lifetime opportunity for the industry not just to review but also to reset, restructure and revive. The time has come to stand together, understand the changes and focus on an innovative sustainable business model and adopt the new business trends.

Introducing CONNECT INDIA - an initiative by 12 Regional Destination Experts across the country to ensure the highest level of product and services for the domestic B2B market ably supported by its common SOP and state-of-the-art technology platform. The brand has been crafted keeping the current market scenario in concern and looking at a bigger perspective in the future to come. The 12 DMCs from various parts of India have come together under one roof not just to create a healthy business platform encouraging tourism but also as the biggest national marketing network in India. CONNECT INDIA will also work as a connector connecting partners across the country and establish a healthy business relationship.

Come connect India at every destination and experience the vivid colours of our country with us.
